Would you help with.....

Youth Tennis Camp _____ Grass Cutting _____ Fundraising _____

Cranberry Fest _____

We have fundraisers throughout the year to support our tennis club, and we need ALL club members to share their time and talents. Many members, however, are not in town for these events or have family commitments and are not able to work. If you are NOT able to volunteer your time, we ask that you help by making an additional monetary donation to the Serve • Score • Win campaign for the court reconstruction. Please give according to what is possible for you. Thank you!
